## Epson TM-U295

---

## KEY FEATURES

---

### Compact and versatile

Ideal for cheque and credit authorisation terminals, the TM-U295 is incredibly compact, while at the same time offering printing versatility. Capable of many font options, it offers four print sizes, and also has the ability to print text vertically as well as horizontally.

### User-friendly

The TM-U295's flatbed design makes paper insertion easy and quick. It also offers user-friendly features such as an easy-to-operate touch panel and an automatic paper eject function
